Narberth, Pa., Saturday, September 17, 1927

PRICE, THREE CENTS

CANDIDATES TALK TO WOMEN VOTERS

Griswold, Bates and Fretz Among the Local Speakers.

SEVERAL ARE ABSENT

Two candidates for Borough Council, one for assessor and one for the School Board, appeared and spoke at the meeting Monday night of the League of Women Voters. In addition to the local candidates the three candidates for County Director of the Poor were on hand to explain their views.

In the absence of the Chairman, Mr. B. Earl Achenbach, Mrs. Leroy C. Douglass presided. She first called upon the Councilmen present, as they had to leave to attend their own meeting.

Mr. Griswold responded as candidate for assessor, but, inasmuch as his opponent, Frank A. O'Brien, was not present, he did not seek to debate the propositions raised in their respective communications to "Our Town."

Several questions had been written out, and Mr. Griswold's remarks were related to them. When asked why the Narberth tax rate is so high, the speaker said that the voters, by passing the bond issues for the playground and street paving, had obligated the borough to meet the bills, and Council had no alternative, but to fix a rate that would be sufficient. The only way by which the rate could be lowered would be to have the assessment equalized, that is, increase it on properties which are now at bearing their fair share, and thus make possible a lower rate for those already properly assessed.

Regarding the valuation of properties, Mr. Griswold said that just because there had been no sales in a particular section for a number of years, it did not necessarily mean that value had failed to increase. If that were to be the basis of assessment, equalization and fairness between different parts of the town would be impossible.

In that connection, also, it is significant to note that even though there have been no sales and no increase in assessments, rents have advanced steadily, showing that the property owner considers his holdings more valuable, whether the assessor does or not.

Mr. Fretz told of his being called upon three years ago to fill an unexpired term and that he had done so because he felt it a public duty if his fellow citizens considered him qualified to serve.

Mr. Bates likewise told of his having been sought out as an engineer to fill an unexpired term and explained somewhat in detail the various engineering problems that Council has to meet.

Neither Edward S. Haws, candidate on both tickets, nor John A. Mowrer, Jr., choice of the Republican committee, were present.

There was a very interesting discussion in regard to the relationship between Council, the taxpayer and the community building, which Mr. Frye explained.

DR. STRUMIA RETURNS

Dr. Max Maurice Strumia, of Narberth Park, laboratory director of the Misericordia Hospital and instructor of pathology at the University of Pennsylvania, has returned after a summer of mountain climbing in Switzerland.

Dr. Strumia's greatest achievement during his vacation was the ascent of the East Ridge of the Signalknippe, one of the loftiest Alpine peaks, marking the first time that man has conquered the mountain from that approach.

Previous to the Signalknippe climb, Dr. Strumia, with his sister, Mary, had climbed the Matterhorn by way of the famous Corridor of Carrel. This route to the top of the rugged old Alpine park had not been climbed in thirty years.

Along the Corridor the Strumia party found spikes with snap rings intact, driven into the rock by the Crawford Grove expedition sixty years ago. During his perilous climbs, Dr. Strumia experienced several blizzards which on one occasion kept him marooned in a hut four days.

TOOK MANY HONORS

Jay N. Thomas Jr., of the Windsor-Exeter, is the proud holder of many scout honors, received this summer at Delmont. He went to the camp a first-class scout and returned a star scout. He became a member of the seacoast ship "Delmont" and worked as a Doctor's orderly, earning the staff jersey. He received the Junior Red Cross Life Saving badge and is in line for the distinguished medal.

Young Thomas took merit badges in scholarship, personal health, first aid, leather craft work, camping and bird study.

DATE NOT YET SET

No date has yet been fixed by the county courts for the hearing of the matter of Mrs. Mary A. Fleming's appeal from the decision of the Zoning Board.

The court, however, has indicated its intention of taking up the question from the beginning, which will give any interested resident of the Borough, who wishes to appear against the proposed gas station, an opportunity to testify. Those in favor of the change have also expressed their intention of attending the hearing.

PEACHES ARE THE VOGUE

Now that the strawberry festival season is over, the Ladies' Aid Society of the Lutheran Church will give a peach festival Tuesday, the 20th, in the basement of the church. Commencing at 6.30 P. M. ice cream, peaches and cake will be served at a nominal charge of thirty-five cents to friends of the church throughout the community, all of whom are invited to attend and enjoy a social evening.

MANAYUNK TO THE RESCUE

Clang! went the fire alarm. Whee-e-e! went the siren. Fire in West Manayunk!

To the rescue charged the gallant volunteers of the West Manayunk Fire Company. Out of the firehouse came trundling the big fire-fighting apparatus. Five hundred feet of the firemen's best, unrolled on the road. Swiftly and efficiently, the hose was connected to a fire hydrant, ready to pour a stream of water on the blaze. Hundreds of people assembled in the hope of witnessing thrilling rescues, spectacular flame-fighting.

Dense smoke rolled upwards to the darkening sky. "Twos 10 minutes of seven, Tuesday evening, that the alarm was turned in. The fire was in the cellar of the West Manayunk Fire Company.

Down into the dense clouds of smoke plunged an intrepid fireman. Hundreds gasped. Would the fumes overcome him? Would no one rescue him? Minutes passed.

Emerging the fireman; also the fire. It was in a bucket. The bucket contained rags, which burned with a black, smudgy smoke.

The fire company reeled up 500 feet of hose, and moved back into the firehouse.

DOCS MEET DOCS AT ROTARY DINNER

Veterinarians Are Guests of Balcynar Rotary Club.

HORSE NIGHT RESULTS

When one Rotarian walked up to another Rotarian at the Cynwyd Club Tuesday night, he could with safety call the other—even though a stranger—"Doc." The reason for this phenomenon lay in the fact that the Bala-Cynwyd-Narberth Rotary Club had as guests a large group of veterinarians.

The doctors were from all parts of the country, attending their convention in Philadelphia. They sat at the speaker's table with the local club's veterinarian president, Dr. E. S. Deubler, and the club's practicing veterinarian, Dr. Raymond M. Staley. At the banquet tables were many others with "doctor" as their title.

This was the first evening meeting of the season, and was attended by nearly 50 Rotarians and their guests. It was an evening of good fellowship, enlivened by instrumental music and singing. Nearly 20 of the visitors made short talks.

The speaker of the evening, Dr. C. H. Stange, dean of the School of Veterinary Medicine of the Iowa State University, took up the topic of the veterinarian's place in the affairs of the human race, and the dependence of the world upon this branch of medicine for its food.

During the meeting, music on a number of odd instruments was furnished by Harvey Means. One of the guests, William Tefft Schwartz, of Sycamore avenue, Merion, substituted for the usual brief speech on being introduced, a few clever sleight of hand stunts.

Passing mention was made of the Norristown district convention, attended by Dr. Deubler and Secretary Carroll for the club.

"The horse is being replaced by the auto as a means of transportation," he said, "but it has lost little of its value in food production. There is nothing in the newspaper stories of the closing of veterinary schools because of the passing of the horse," he asserted.

Dr. Stange then went on to explain the vast field covered by domesticated animals—a field which is constantly increasing, and which requires the increasing skill of animal doctors. The animal kingdom produces over \$27,000,000,000 a year. There are 30 species under domestication, of which 16 are hoofed animals.

The importance of America's well trained veterinarians is shown when production is compared with South America. There the cost of producing meat cattle is small compared with that of the United States, yet disease is so heavy that the competition of the pampas is slight.

Carcass inspection under the pure food laws is another important function of the profession, as is disease research. The Texas Fever research, Dr. Stange said, was the work on which is based all modern knowledge of the influence of insects in the spread of disease.

REPUBLICAN WOMEN TO MEET

The Republican Women of Narberth will hold a meeting on Monday afternoon, September 19, at 2.30 o'clock at Elm Hall. The third Monday of each month is the time for stated meetings of the Republican Women of Narberth, and since the date this month falls on the day before the primary election, the meeting will be a particularly important one. It will be informal and local workers have been urged to see that their districts are well represented.

ON IMPORTANT COMMITTEE

Ralph S. Dunn, of Narberth, has been appointed chairman of the Advertising Managers' Group of the Poor Richard Club of Philadelphia. This was announced this week by president Charles Paist, Jr.

Narberth has contributed many important officers to this club. The last president was Morton Gibbons Neff, of Wynnewood avenue.

PIKE NUMBER MESS BRINGS PROTESTS

Council Promises to Act Soon if Township Does Not.

WILL ARREST SPEEDERS

"There never was a time when all of the streets of the borough were in as good condition as at present." So stated the highway report of Chairman Robert F. Wood at Council meeting Monday night.

Part of the reason for this condition lies in the extensive construction of new roads under the bond issue. The more immediate reason is found in the virtual completion of the 1927 oiling program. The work this year has been carried out by the Ramsdell Construction Company.

The ghost of the Montgomery avenue numbering mess walked again at the meeting. Harry Evans, of 19 Montgomery (or rather, of one of the 19's, Montgomery), resurrected the ghost. In a few well-chosen and mild words he told the councilmen of the difficulties attendant upon sharing his house number with another resident a block or so to the east.

Mail, he claimed, is often so delayed that he cannot earn the discount on public service bills. Important letters go astray. Unordered vegetables appear on his back porch, destined for someone else with the same number.

The situation has been a well-known one to Council, the post office, and the Lower Merion Township Commission for well over two years. The lack of system on the pike is ludicrous. Numbers jump forward and backward. Duplications are found. The rest of Narberth is numbered from west to east, but Montgomery avenue starts at the east and plays its little hop-skip-and-jump in a direction opposite from that of the other streets.

Council placed the blame upon the Lower Merion Township Commission, who had been requested to co-operate by numbering the township side uniformly when Narberth reassigned numbers. The request, made two years ago, has not yet been acted upon. Temporary relief was promised Mr. Evans.

A request was read from the Needlework Guild that they be permitted the free use of the Girl Scout room in the Community Building for monthly meetings during the year. The letter was referred to the Borough Property Committee.

Protests received by the Burgess and councilmen that speeding on Sabine avenue was endangering the lives of pedestrians and school children resulted in a decision to station a plain clothesman on Sabine avenue with instructions to gather in the numbers of reckless drivers. Convicted motorists will be amputated from some substantial cash, according to the Burgess.

A letter from Miss Katharine A. Tobin, 204 Montgomery avenue, addressed to Burgess Frye was read. In it she requested permission to place a sign on the porch of her home, which is in a residential zone. She had previously been told to write to Councilman Fretz, defining the exact nature of the sign desired. No action will be taken by Council to permit the sign until the proper letter has been written.

BOARD READY TO COMBAT PARALYSIS

No Infantile Paralysis Is Found Near Main Line.

WILBUR INVESTIGATES

"No cases of infantile paralysis have been reported in Lower Merion, Narberth or this part of the Main Line," reports Dr. B. K. Wilbur, president of the Lower Merion Health Board, after a careful investigation, following a recent scare elsewhere in Montgomery county, that caused the closing of schools in Hatboro, where a case was reported.

To make sure that it was safe for Lower Merion schools to open this week, Dr. Wilbur communicated with the Main Line Branch of the Montgomery County Medical Association for information and advice. He reported to the Lower Merion Board of Health that it had not been found necessary to ask the School Board to deter the opening of schools.

Physicians throughout the township have been requested to inform the Health Board immediately if any case of infantile paralysis develops and health authorities in nearby townships have also been requested to report any cases in their jurisdiction.

The Narberth Board of Health, at its September meeting, conferred full power to act upon its president, Dr. George A. Sloan. Through this authority Dr. Sloan can immediately order the closing of the schools should there be an emergency.

PIKE PROPERTY SOLD

C. Walton Hale of Wayne, has announced the sale of Alfred Penrose, of the southeast corner of Iona and Montgomery avenues.

The purchasers are said to be a large oil company, who plan to erect a gas station at that point. The property was held for sale at \$16,000.

WOMEN INVITED TO OUTING

Women, as well as men, in the ranks of the Republican Association of Lower Merion and Narberth will be invited to the annual outing of the organization, to be held Saturday afternoon, September 24, at Wilson's Grove, opposite the Gladwyne School, in Gladwyne, according to an announcement made Wednesday by Chairman Peter C. Hess, township leader.

A corn-boiling of hundreds of ears of corn, will be one of the features of the get-together meeting. All candidates on the county, township and borough Republican ticket are expected to be there, in addition to many other prominent Republicans. Inasmuch as women are among the candidates on the party ticket, leading women in the organization will also be urged to attend.

CARNIVAL PREPARES FOR SECOND NIGHT

Haverford Avenue Blaze of Lights as Affair Begins.

AWARD GIFTS TONIGHT

With Haverford avenue bedecked after a week of feverish activity, and with everyone keyed up for a successful affair, the carnival is now in full swing.

Large crowds swarmed over Haverford avenue last night on the opening of the affair given by the fire company, but the record crowd is expected tonight, when the affair will reach its climax.

All along the business street from Narberth avenue to Forest, both sides are lined with booths. The vacant lot beside the old Y. M. C. A. Building is also the scene of much activity.

The interest in Professor Zanzo, the psycho-analyst is now shared by another surprise feature—Madame Zora, world-famed palmist, who is giving Narberth a peep into the mystic future.

The Women's Community Club is managing a number of the booths. The Tennis Club, under direction of Mrs. C. B. Metzger and Mrs. R. C. Williams, is dispensing delectable hot dogs. In other booths are baked goods, flowers and plants, soda, coffee, soft drinks, etc. The firemen are manning a booth for the sale of additional gift books preparatory to the distribution tonight.

In Crane's drug store window are a number of the prizes, and others of equal value are still pouring in.

BUILDING AIR FIELD

Walter Schlipf, a Narberth contractor, is engaged in the first unit of work in the construction of a big aviation field on the Ridge pike, northeast of Conshohocken.

The project, modeled in some ways after the big Pitcairn aviation center, will include the sale of planes, instruction and hangar facilities. A tea room is being built, to be located in one of the colonial houses formerly located on the Sesqui High street.

Mr. Schlipf, whose home is on Merwyn road, purchased several of the Sesqui buildings during the auction sale. The aviation field will be partially ready this fall.

WOULD AVOID JAM IN WIDENING PIKE

Traffic Detours Studied as Paving Work Reaches Narberth.

DELAY IRKS CITIZENS

New detours for Montgomery Pike traffic are being studied by engineers of the Union Paving Company, as widening goes on apace on both sides of the pike to Meeting House lane in Narberth. Buses and other traffic are now being detoured north of the stretch between Levering Mill road and Meeting House lane.

Delay in placing the filterstone top on the uncompleted widened portion of Montgomery Pike has incensed residents who had been led to expect final work on the road surface to commence early last week. The foundation work is completed from City Line, Bala, to a point beyond Levering Mill road in Cynwyd, and the curbing has also been laid. Work on the top surface has not been started, however.

County Engineer Warren F. Cressman, at Norristown, will be asked to hurry the work as much as possible. Inability of the Union Paving Company, in charge of widening the pike, to assemble a surfacing gang for Bala-Cynwyd is ascribed to more pressing jobs under construction elsewhere by the company, at Eddystone, in Philadelphia and on the Roosevelt Boulevard.

As soon as men can be spared from other places, a surfacing outfit will be assembled here, and work will then start immediately in Bala. But it is not known how soon this will be.

Grading and excavation continues at a fairly rapid pace, along the pike west of the Levering Mill road bend. It is hoped to have foundation work completed on both sides of the pike as far west as Meeting House lane some time next week.

PHILATELISTS MEET

The Main Line Stamp Association, composed of enthusiastic philatelists of Narberth and vicinity, held its first fall meeting Monday night at the Presbyterian Church. Postmaster J. Bertram Nesper gave the younger boys a short talk.

Meetings are planned for alternate Monday nights, and any stamp collector is invited to drop in. Talks will be given by adult philatelists from time to time.

Those present Monday night included Victor Carson, Junior Mackey, Eugene Claghorn, Charles Safburgh, Vestus Spindler, Hugh Speed, Edward Bartlett, Donald Munro, George Hutchinson, Everett McCarter, John Hanke, William Hensley, J. Wallace Goodwin, J. Bertram Nesper.

MANY ATTEND NEW THEATER OPENING

Egyptian Theater in Cynwyd Entertains Public at First Night.

FIRST SHOW TONIGHT

Bala-Cynwyd and Main Line residents crowded to overflowing the Egyptian Theater in Bala-Cynwyd, Thursday night, when the Stanley-Effinger Company entertained the public at a private opening of the \$200,000 new motion picture house, which has a seating capacity of 1600. Hundreds of invitations had been sent to society folk in Bala-Cynwyd and to prominent members of Main Line organizations.

Frank H. Sykes, commissioner from Cynwyd, and president of the Lower Merion Board of Commissioners, accepted the theater on behalf of the community in a short and appropriate address, following a presentation speech by an official of the Stanley-Effinger Company, which will operate the theater.

Leonard MacLain, organist of the company's Strand Theater in Germantown, gave a pleasing program of music on the new Kimball orchestral organ. Following the opening ceremonies, a special pre-release of a new Paramount picture was shown, prior to its showing in Philadelphia.

Parking space provided by courtesy of the Pennsylvania Railroad at its large freight yard below the Cynwyd station prevented traffic congestion. Frank H. Seely, of the Neighborhood Club, had men busy cleaning up the lot early in the week, and it was ready for use by Thursday morning. A large floodlight illumined the entire space.

Cars were checked and will be checked hereafter by Frank Seely and Frank Barton, Jr., who are willing to take care of the cars every evening. A guard house at the entrance to the space has been erected, with signs directing motorists to the yard.

The Egyptian Theater is the only one of its kind in the East. There is only one other like in the country—Grauman's Egyptian Theater, in a suburb of Los Angeles. The architecture the lighting fixtures—even the carpets and the orange-and-black upholstered seats—have caught the Egyptian effect.

Rest rooms and phone booths are provided; also three highly decorative drinking fountains. A promenade deck, along which the rest rooms, etcetera, are provided, is another distinctive feature of the theater. In case fire should break out in the strictly fireproof structure, an unusually adequate number of exits line the house on all sides, so that it may be emptied very quickly.

First-run pictures booked by the Stanley Company will be shown every week day at 7 and 9 P. M. and matinees on Saturdays at 2.30 P. M. The theater is under the same management as the Sixty-ninth Street Theater and seven others in the vicinity, most of them in Delaware county. Dennison Berkeley is in general charge of the group, all of which are a part of the chain of the Stanley-Effinger Company, of which Herbert Effinger is general director.

EXPRESS THANKS

Mr. and Mrs. John Bickford Brooks, of the Colonial Apartments, take this opportunity to express their sincere appreciation to friends in the town for their kind sympathy received on the recent death of Mr. Brooks' mother.

Mrs. Brooks, who was in her 90th year, was a direct descendant of the first Swedes to sail into Christiana Creek, Delaware, and was a most interesting person. She will be remembered by many women in the town who had the pleasure of meeting her during the summers she spent with her son.

PROUD OF HER RECORD

Remarkable candor was exhibited by Rosetta Hayes, a Negress, who pleaded guilty Friday at Norristown to stealing two dresses from the Ideal Shop in Bryn Mawr. She freely admitted on the stand that she had been at Sleighton Farms, the House of Correction; and then surprised Judge Williams, who had forgotten her, by reminding him that she had been sentenced by him in April of last year to five months in the county jail for stealing dresses. Her sentence this year is for two years, from July 13.

W. M. S. MEETS

The Women's Missionary Society of the Lutheran Church will hold its monthly meeting at the home of Mrs. Rentschler, 313 Price avenue, next Tuesday at 2 P. M.

ORGANIZATION TO SUPPORT MOWRER

Republican Committee Votes to Straddle on Assessor.

WILL BACK UP WINNER

A decision to straddle in the assessorship contest and to fight Edward S. Haws for Council marked the pre-election meeting of the Narberth Republican Committee held at Elm Hall Tuesday evening.

The committee is made up of the three committeemen and three committeewomen of the voting districts. Charles V. Noel is chairman and Mrs. L. C. Douglass, secretary. The decision at the Tuesday meeting will set the course to be followed by the regular political workers at the primaries next week.

The committee endorsed the county ticket, which they declared to be a strong one, and then proceeded to a discussion of the local contests. Two Republicans are running for assessor, and after some discussion the committee decided to keep hands off, but to pledge their support to the winner in the general election.

The committee unanimously endorsed William H. Fretz and Clifford W. Bates for re-election to Council, and John A. Mowrer, Jr., to succeed E. C. Griswold. Mowrer's name will not appear on the ballots due to his failure to file a petition, but the Republican organization is going to wage a vigorous sticker campaign in an effort to obliterate Edward S. Haws, Democrat, who is duly listed on the ballots of both parties.

The six in attendance at the caucus were Mrs. E. C. Town, Mrs. E. C. Griswold, Mrs. L. C. Douglass, Charles V. Noel, W. S. Thompson and James M. Wark.

WOMEN SEEK INFORMATION

Held Meeting Last Night to "Size Up" Candidates.

"On behalf of the Lower Merion Township League of Women Voters," the Rosemont League issued a naive invitation dated last Friday, to office-holding candidates for election to town, to attend a "candidates' meeting" last night at 8 o'clock in the township building at Ardmore. "All candidates of all parties" were invited to speak briefly.

Inasmuch as there is no opposition to major offices in the township at the primaries, and all candidates are incumbents merely seeking re-election on their records, a questionnaire sent the candidates is reported to have been viewed with some amusement and a touch of indignation. Three questions are asked: "What causes you to become a candidate? What experience have you had to qualify for the office? What are you going to do with the office if you get it?"

LOCAL HERD PRODUCING

The herd of 103 Ayrshires owned by Percival Roberts, Jr., at Pennhurst Farm, Narberth, averaged 636 pounds 4.22 per cent. milk, 27.70 pounds fat during the month of July, according to a report received from the office of the Ayrshire Breeders' Association at Brandon Vt.

This is one of the largest herds of Ayrshires under test for the Ayrshire herd test, and ranks among the leaders in the United States. Five of the daughters of their young herd sire, Pennhurst Man O' War, in this herd, qualified for the select 30-pound fat list in that month.

Dr. E. S. Deubler, veterinarian, is manager of the farm and in charge of the herd.

TO RESUME CHOIR

The choir of All Saints' Church, Wynnewood, will render their first service on October 2.

The adults will start rehearsals on Thursday, September 22, at 7.45 P. M. The choir master will be glad to interview at that time any person who wishes to join the choir this season. No applicant who cannot read music will be considered for the adult choir.

The boys' choir will start rehearsals on Tuesday afternoon at 4 P. M. Any boy who has attained the age of nine years and has a fair voice may apply at that time or call Narberth 3976-J., Mr. Spratt.

STOP! LOOK! AND LISTEN!

The annual outing of the H. C. Gara Bible Class of the Narberth Presbyterian Church will be held at Valley Forge Saturday, September 24.

All the men of the church and their friends are invited. Wear your sport clothes and play baseball, pitch quoits or run in the fat men's race, which ever you choose, and in the evening there will be a fine dinner served by the men.

Cards will be sent to all the men, and it will be appreciated very much by the committee in charge if you will send return card at once if you can enjoy the afternoon with us.

Automobiles will leave the church at 1.30 P. M.

ASH COLLECTIONS

Street Commissioner George B. Supplee has announced that the regular winter collection of ashes will begin Monday, September 26. Ashes will be taken weekly thereafter on the same days as heretofore.

Mr. Supplee handed this notice to the Editor on Thursday afternoon when the streets of Narberth were flowing from the heat. 'Tis not a joke, however. Have your ashes out; the trucks will come.

A SUGGESTION

To the Editor of Our Town:

Watching some of the gentle, kindly
dogs of the town who have been suf-
fering muzzles the past weeks, it oc-
curs to me to offer a suggestion to the
wise powers that be, a parallel attempt
to guard the morals of the community.
If a boy strikes another boy, why not
shut up all the boys in the borough?
If a young man runs off with an au-
tomobile, why not put all the young
men behind the bars, no matter what
reputation they may have? I imagine
some of the honorable, upright young
men might look through the bars with
as puzzled an expression as a certain
colic I met on the street.

I offer this suggestion.

M. W. P.

BAROMETER FALLS

Although the barometer fell to the
lowest since March this week, storms
that raged elsewhere missed the Main
Line, according to Charles Decker,
weather observer for the Main Line,
who reports a rainfall for the week of
only .17 of an inch. The total since
September 1 is .37 inch.

Warm weather for the seven-day
period covered by Mr. Decker's week-
ly report caused a temperature excess
since September 1 of 2 degrees. Last
year a deficiency of 28 degrees was
noted.

High and low temperatures for the
week were as follows: Wednesday,
83-57; Thursday, 78-67; Friday, 70-55;
Saturday, 77-55; Sunday, 82-66; Mon-
day, 76-54; Tuesday, 75-49.

Need Money

With only half its quota raised, the
Police Pension Association of Lower
Merion township issued a second ap-
peal yesterday to those residents of
Lower Merion and Narberth who
failed to respond to its first request
for funds, which was made May 1.
The association, newly formed, seeks
a permanent endowment for township
employees to aid in cases of disability
and old age.

"The fund must be increased to at
least \$100,000 as a sufficiently substan-
tial endowment for the immediate fu-
ture," according to Evan L. James,
secretary and treasurer of the associa-
tion, whose office is in the township
building at Ardmore. The appeal is
signed by Morris L. Clothier, chair-
man of the Citizens' Committee.
Checks may be sent to Mr. James, who
is assistant secretary to the township
commission.

Few men will admit being wrong
as long as there is a change to make
others believe they are right.

NARBERTH

Housekeepers and Auto Owners!

Everyone of you should use

U-KAN
PLATE

WHY? BECAUSE

It is an exceptionally clean polish; destroys all germ life; prolongs
the life of plated ware—both silver and nickel; is an easy cleaner, as it
dissolves tarnish instead of scouring it off.

REPLATES BRASSY WORN-OFF

Bath room faucets, brassy auto parts, worn silver-plated spoons
and forks, Sheffield plate where copper shows, with

PURE SILVER

Making Them Look Like New!

No mercury or acid, satisfaction guaranteed by Good Housekeeping
Magazine and the Manufacturers.

A. R. JUSTICE CO., 904 Walnut St., Phila.

(Write me personally just what you think about U-KAN-PLATE.
F. Millwood Justice, Pres., Narberth, Pa.)

"You will like U-Kan-Plate for the wonderful Work It Does"

½ Pint Bottle, \$1.00; Pint, \$1.65

Know before You Buy

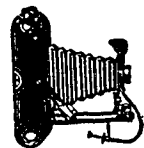

THE time is not far distant when the prospective
coal customer will have several questions to
ask his dealer before he signs up for a supply of fuel.

To wit: "How does your coal run in carbon
content? I want to be assured of plenty of heat
units. What is its percentage of ash? I can't have
my back and disposition ruined shoveling out
ashes."

We as dealers in Jeddo-Highland coal exclu-
sively are prepared to answer these questions *right
now*. Chemical analysis has proved to us that our
coal has much *hidden* value. *Know before you buy!*

BUSY LIBRARY MONTH

August Breaks a Record by Circulation of 2716.

The library circulated 2716 books during the month of August this year, and thus registered a gain of about 1300 over the corresponding month of last year. It may have been the warm weather, it may have been the cool days. Possibly it was because people were at home on their vacation, possibly it was because they were away and took books with them. It may have been any one of the numerous reasons given, for every one on hearing the figures tried to offer an explanation till the librarians began to keep record of the explanations, half expecting to find them totaling the circulation, and then losing count altogether in their multiplicity, gave up the record.

An accountant, accustomed to interpreting the significance of figures, asked a few questions on hearing this report, and then sagely remarked: "That is four stock turnovers in a year, and a merchant would be well pleased with that result." Any one who can visualize each of the 6000 books that the library possesses leaving the shelves four times each year to go into some home in Narberth to be read will understand what the accountant meant. It is fortunate that they do not all leave at the same time.

GLADWYNE TAKES FIRST

Gladwyne drew first blood in the Main Line championship playoff by defeating the Berwyn nine by a score of 3 to 2 at Berwyn, Saturday. The large gathering was treated to a rare pitchers' battle between "Dave" Trost, of the Doyle Nursery Boys, and "Hen" Voelkel, of the Gladwyne nine. Berwyn scored a pair of runs in the fifth frame to take the lead on Heckle's single, Shank's single and Umbach's timely double. Gladwyne came back in the sixth session to tally three runs and sew up the tilt. Cooper started the rally when he took first after being hit by a pitched ball, Thomas singled, Wood sacrificed, Deegan singled, scoring two, and the latter trotted home with the winning marker when Verna let Stephenson's smash go through him.

On Saturday, September 16, Berwyn and Gladwyne will play the second game of the championship at Narberth.

On Saturday Narberth beat Autocar Giants in the first of a three-game series, 4-1. The second game will be played at Autocar field on Sunday, September 17. V. Fleck's pitching starred for Narberth. The hitting of V. Fleck and G. Fleck featured.

The FIRESIDE

Mr. and Mrs. Leroy Robertson and family have returned to their home at 218 Forest avenue after having spent the summer at their cottage at Seaside Park, N. J.

Mr. and Mrs. M. I. Taylor and children, of Baltimore, Md., will visit for the next week with Mrs. Taylor's parents, Mr. and Mrs. C. H. Reger, of Montgomery avenue.

Miss Rita Irma Dwyer, of Grayling avenue, will leave for school next Monday. Miss Dwyer is a student at Marywood Seminary, Scranton, Pa.

Mrs. John P. Miller and sons have returned to their home on Montgomery avenue after summering in Newport, R. I., where Commander Miller's ship was stationed.

After touring through the mountains of New York and Pennsylvania, Mrs. Charles F. Haist, Mrs. George Gilpin, Jr., Mrs. Charles L. McKee and Miss Florence Haist, all of Narberth, are now recuperating at the Hotel Strand, Atlantic City.

Robert Harris, son of Mr. and Mrs. Jesse S. Harris, of Merion avenue, has left to begin studies at Lehigh University.

Miss Lucille Morris, of South Narberth avenue, Merion, gave a luncheon at the Hotel Pennsylvania Saturday.

Miss Grey Miller, of South Narberth avenue, will entertain at luncheon today at the Brynwood Manor Inn.

Miss Virginia Walker, of South Narberth avenue, left Wednesday for a two weeks' trip to the Thousand Islands.

Miss Grace Moffat gave a bridge party at her home on Montgomery avenue Tuesday for Miss Pottinger, of Pittsburgh, who is visiting her this week.

Miss Sally Wynne, of Ardmore, was hostess to a few of her friends last Monday afternoon at a luncheon-bridge. Her guests included the Misses Honora Snyder, Betty Cook, Peg Lambert, Ethel Keim and Josephine and Mary Landis.

Miss Dorothy Speck, of Woodbine avenue, will leave early next week for Hood College, Md.

Miss Phyllis Robertson returned to her home in Ohio last week after spending several days here as the guest of Miss Anne Compton, of Woodbine avenue.

Mrs. B. Earl Achenbach, the chairman of the local League of Women Voters, attended a meeting of the Worcester Township League on Wednesday afternoon.

Mr. and Mrs. William E. Boryer entertained Mr. and Mrs. Harry F. Boryer, of Washington, D. C., at their home, 151 Merion avenue, last weekend. Mr. Harry F. Boryer is Mr. William E. Boryer's father.

Mrs. Eberhardt Mueller entertained eighty-eight guests at luncheon and bridge on the lawn of her home, 208 Essex avenue, Thursday afternoon. There were over twenty tables of bridge.

Mrs. William G. Bartlett and her two children have returned from their summer cottage at Avalon to their home at 10 Elmwood avenue.

Mr. and Mrs. J. J. Cabrey and their children have recently returned from their summer cottage in Chelsea.

Dr. William Zentmayer returned last week to his home at 125 Windsor avenue from a trip to Europe. He spent most of the summer in southern France.

Miss Ruth Torrey, of 500 Essex avenue, has returned from her European tour.

TO HOLDERS OF
SECOND LIBERTY LOAN
4½ PER CENT BONDSEXCHANGE OFFERING OF NEW
TREASURY NOTES

Second Liberty Loan bonds have been called for payment on November 15th next, and no interest will be paid after that date. Notice is given of a new offering of United States Treasury notes, in exchange for Second Liberty Loan Converted 4½ per cent bonds. The new notes will be dated September 15, 1927, and will bear interest from that date at the rate of 3½ per cent. The notes will mature in five years but may be called for redemption after three years.

Interest on Second Liberty Loan Converted 4½ per cent bonds surrendered and accepted in exchange will be paid to November 15, 1927. The price of the new issue of notes, is 100½. Holders surrendering Second Liberty Loan Converted 4½ per cent bonds in exchange will receive, at the time of delivery of the new notes, interest on such Second Liberty Loan Converted 4½ per cent bonds from May 15, 1927, to November 15, 1927, less the premium on the new notes issued.

Holders of Second Liberty Loan Converted 4½ per cent bonds who desire to take advantage of this opportunity to obtain Treasury notes of the new issue, should arrange with their bank for such exchange at the earliest possible date, as this offer will remain open only for a limited period after September 15th.

Further information may be obtained from banks or trust companies, or from any Federal Reserve Bank.

A. W. MELLON,
Secretary of the Treasury.

First-Buick took vibration out of the engine
Now—it has taken it out of the road

Now Buick for 1928 has come forward with another great contribution to motoring comfort. Buick has taken vibration out of the road by equipping every Buick with Hydraulic Shock Absorbers, front and rear—an added luxury that the savings of Buick volume have been able to supply.

Bumpy, rutty, uneven highways—all ride smoothly, for Buick grades its own roads. Let us put a Buick for 1928 at your disposal, so you may test this riding comfort for yourself.

Sedans \$1195 to \$1995 · Coupes \$1195 to \$1850 · Sport Models \$1195 to \$1525
All prices f. o. b. Flint, Mich., government tax to be added. The G. M. A. C. financing plan, the most desirable, is available. The model illustrated above is the 5-Passenger 4-Door Sedan, Series 115, \$1295.
WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM
